NEW

AREL LED DO 20W

AREL LED DL 10W

IP 65/20

ultra SLIM panel

HIGH quality

Kanlux AREL LED to nowa rodzina downlightów, które nie posiadają ramki. Wysoka klasa szczelności IP65/20 oraz wyjątkowy, prosty, a zarazem zaskakujący design sprawia, że Kanlux AREL LED wpasuje się w każde wnętrze. Dzięki unikatowej konstrukcji, panel ma grubość zaledwie 9 mm – to najcieńszy panel dostępny na rynku.

Materiał obudowy: tworzywo sztuczne

Materiał klosza: PMMA

Kanlux AREL LED is a new family of downlights which do not have a frame. High tightness class IP65/20 and exceptional, simple, and at the same time surprising design make Kanlux AREL LED fit into each interior. Thanks to the unique structure, the panel is only 9 mm thick - it is the thinnest panel available on the market.

Enclosure material: plastic

Lampshade material: PMMA
