ANTEM LED 100W-NW B

Kanlux ANTEM to seria naświetlaczy LED. Te naświetlacze to przede wszystkim łatwość podłączenia, a dzięki zintegrowanej puszcze przyłączeniowej unikamy również nieestetycznego podłączenia kabla. Kanlux ANTEM LED to szeroki wybór mocy od: 10 W do 100 W, a także wersje z czujnikami ruchu i bez. Mleczny klosz z delikatną pryzmą miękko rozprasza światło i ogranicza efekt oślenia. Wersja bez czujnika ruchu odznacza się szczelnością IP65, a wersja z czujnikiem IP44. Czujnik nastawić można w zakresie czasu świecenia, natężenia światła i obszaru detekcji.

Materiał obudowy: stop aluminium  
Materiał szyby ochronnej: szkło hartowane  
Materiał wysięgnika: metal

Kanlux ANTEM is a series of LED floodlights. These floodlights are above all easy to connect, and thanks to the integrated junction box you can also avoid unaesthetic cable connections. Kanlux ANTEM LED series provides a wide range of power options, from 10 W to 100 W, as well as versions with and without motion sensors. A milky lampshade with a delicate prism softly disperses light and reduces the glare effect. The version without a motion sensor has a tightness of IP65, while the one with a sensor has a tightness of IP44. The sensor can be adjusted in terms of light duration, light intensity and detection range.

Enclosure material: aluminum alloy  
Protective glass material: Tempered glass  
Extension-arm material: Metal
